GETTING STARTED

We are delighted to invite you to the second annual Queen's Conference on Business and Technology. QCBT is a student-run conference that focuses on connecting students who have a passion for the rapidly growing business and technology sector. After a successful launch in 2015, we plan to build on the momentum and take QCBT to new heights.

Our conference aims to inform delegates about the current advancements in technology, and how they can become a part of community whose purpose is to improve the experience of tomorrow. When a diverse group of people with the same passion come together, it forms a collaborative and insightful atmosphere that fosters innovation. We plan to create an atmosphere that allows a community of individuals who have the drive and initiative to spark the next chapter of technology.

We recognize the vital role sponsors play in providing value to delegates, speakers, and the entirety of the conference. Everyone involved will have a unique role in shaping the conference and making it the incredible experience it will be. On behalf of the QCBT team, we thank you for taking the time to read this sponsorship package. We hope to see you at the conference!

Sincerely,

EVAN CLOUTIER

EXECUTIVE ADDRESS

Dear Potential Sponsor,

As the Executive Director of the Queen's Innovation Connector, I have seen in recent years a more focused effort to provide students with experiences that foster innovative thought, creative ideas, and insightful conversation. The Queen's Conference on Business and Technology (QCBT) is a student-led conference that does just that; it brings together students with a passion for innovation in a dynamic, high-energy environment that inspires new, innovative ideas in technology. With the mission of the QCBT being to provide "an environment for professionals and curious minds to come together to bridge the gap between the business and technology space", I am certain that those who participate will have an invaluable experience connecting with other like-minded students, industry professionals, and top employers from across North America. The success of the QCBT would not be possible without the dedication of the QCBT Executive, the time provided by industry volunteers, and the financial support of sponsors. I hope you and your organization will consider sponsoring this year's QCBT, helping to launch the start of an experience that will "change perspectives, attitudes, and the innovative minds in all of us."

GREG BAVINGTON
EXECUTIVE DIRECTOR
QUEEN'S INNOVATION CONNECTOR

A community that connects students and industry
together to learn and grow.

CREATE

SHAPE

The minds of future leaders with insight on the
latest developments in the technological world.

SHARE

Ideas and express passion to assist
individuals in achieving their goals.

ABOUT US &
THE BIZTECH
COMMUNITY

The Queen's Conference on Business and Technology (QCBT) is a student-run conference founded for the purpose of bridging the gap between business and technology to spark innovation. The conference aims to create an atmosphere for curious minds and experts to engage in conversation. We believe, passionately, in the power of collaboration — become a part of what will be a leading centre of innovation, the biztech community. Queen's University has established itself as a venue for top talent, attracting various individuals and groups from across Canada to connect with one another. QCBT aims to provide a weekend of inspiration, learning, and networking for students and industry professionals nationwide.

EDUCATE

Foster a compelling atmosphere for emerging innovators to learn about current technologies, future business planning, and all of the areas your company excels at. Showcase your company's innovation sector to top tier delegates.

CONNECT

QCBT aims to be above and beyond other conferences in regards to student-industry interaction. Come see students at Queen's and other universities first hand, build meaningful relations, and help create a path for success based on a common passion for business and technology.

WHY SPONSOR QCBT?

ESTABLISH

Present your company's goals and ambitions to a group of 150 sophisticated delegate minds. Build campus presence through QCBT at Queen's to connect with students in the future.

INSPIRE

Use your experiences and credibility as an established company to influence and educate the leaders of tomorrow. Connecting with various individuals with the passion to learn is one step further for the advancement of technology.

OUR DELEGATES

After a successful launch in 2015, QCBT wants to delve deeper to show delegates how they can become part of such an innovative community. This conference brings together a diverse group of individuals who dare to define a new status quo and are willing to take the initiative to make ideas come to life. In our fast-paced world, business and technology are at the forefront of advancement and exposure to these fields is important in sparking innovation.

Throughout the course of the conference, speakers and sponsors will be able to educate delegates and provide them with valuable industry insight. Showcase events will provide delegates with an inside look on the latest developments in technology. Workshops and a unique case competition will allow delegates to practice their passion in a bright and lively environment. With the help of sponsorship and dedicated speakers, QCBT aims to bring together people with a desire to change the world.

Hosted at one of Canada's premier universities, QCBT attracts the brightest and most driven delegates from across the nation. Through a unique approach used to select our delegates, we ensure that the conference encompasses the best and brightest individuals in Commerce, Engineering, Computer Science, Arts, and Science. These self-motivated delegates are ready to take the next step towards technological advancement, and are yearning to reach out the leadership gurus and tech titans who can provide insight on the always-changing industry.
